

Dr. Kate Fox, DC

Dr. Fox specializes in women's health care, including issues such as puberty, pregnancy and menopause. She received her Doctorate of Chiropractic degree from the University of Bridgeport (Conn.) College of Chiropractic. She holds a B.S. in natural sciences and mathematics as part of her pre-med training. Prior to establishing her practice in Los Gatos, Dr. Fox was a staff physician at Chiropractic and Rehabilitation on Main, LLC in East Hartford, Conn. In addition to BABI, she is a member of the California Chiropractic Association and the International Chiropractic Pediatric Association.

Dr. Jennifer Walker, DC

Dr. Walker is focused on working with athletes, pregnant women, soft tissue injury patients, and those suffering from pain and inflammation. Dr. Walker received her B.S in Biology at Pacific Union College intending to attend medical school. Influenced by her mother's holistic approach to life and the benefits Dr. Walker experienced from chiropractic care, she changed the direction of her life and attended Palmer College of Chiropractic, West in San Jose. She went on to earn her certification in Graston Technique, as well as participating in additional training in Kinesiotaping and nutrition.
